## WHY

because personal books are so scrummy! Oh and skill too, right!

## WHAT TO EXPECT

Carla will guide you thru creative stages to make your own autograph style book. You'll choose between landscape or portrait format.

## WHAT TO BRING

Bring a few A4 or larger papers to include. Think visual and textural variety. If it feels right on the day we may do a page swap. maybe bring a snack and as paint or glue travels perhaps wear stuff that can handle a splodge or two.

## SUPPLIED

Most of the materials are supplied for this project. If you bring no additional pages you will still have a great outcome.

Kettle and cuppa things are available for use.

And if you arrive early, you could buy a coffee
